

## LOŠINJ – YOUR ISLAND OASIS

A temperate climate, abundant biodiversity, more than 1018 plant species (of which 239 are medicinal!), high quality of seawater, excellent air quality, more than 200 days of sunshine a year, and a pleasant ambience are just some of the features thanks to which Lošinj has become today's renowned aromatherapy centre and an environmentally-friendly but modern destination of vitality and health.

The Lošinj Archipelago numbers many smaller islands, of which the best-known are Susak – the island of sand, Ilovik – the island of flowers and longevity, and Unije – the island of biodiversity. These islands are car free and ideal for a day trip or a vacation in a local's home.

**... even more reasons to visit Lošinj:**

- a multitude of breath-taking beaches and secreted coves
  - magical sunsets
  - viewpoints with views you will never forget
- an archipelago where more than 200 dolphins have made their home
- a wide range of outdoor activities, and wellness and wellbeing programs
  - more than 250 km of hiking and bike trails
  - a light Mediterranean diet
  - and more...

*...whenever and at any time of the year you visit Lošinj, all your senses will enjoy it fully!*
