4	<i>Šarafciger</i>	7b+	Darko Dular	Darko Dular	old route -rusty bolts, not recommended for climbing	20

Total: 31 routes

It is strongly recommended that you wear a helmet at all times (while climbing and belaying), due to possible rock fall caused by the activities of a goat family which inhabits these parts of Osoršćica. Same goes for sheep, they also roam around.
