

HOW CAN WE WORK TOGETHER TO KEEP THE DESTINATION “HEALTHY”?

- **Inform the accommodation facility of your arrival time in advance and follow the provided instructions**
- **Measure your body temperature every morning.** If your body temperature is higher than 37.2, please check your temperature again in 10 minutes. **If the thermometer again reads above 37.2, please do not leave your accommodation and contact the owner of your accommodation facility / reception by phone or e-mail**
- **Wash your hands frequently with soap and warm water** for about twenty seconds
 - Use an alcohol-based hand sanitizer that contains **at least 60% alcohol**
 - **Avoid touching your eyes, nose and mouth**
- **Cover your mouth and nose with a flexed elbow or tissue**, when coughing or sneezing, then throw away the tissue into a bin and wash your hands
- Pay attention to personal hygiene and proper cleaning and **regular ventilation of your living spaces**
 - **Spend as much time as possible outdoors**
 - **Disinfect regularly high-touch surfaces**
 - Avoid using air conditioning
- Wear a face mask and **wash your hands before putting on and after taking off the face mask**
 - Pay using a contactless card whenever possible
- **Cover frequently-touched objects** such as payment terminals or door handles, etc. **with a disposable handkerchief or paper towel** before touching them
 - **Keep a physical distance from others of at least 1.5 meters**
 - **Stay updated with the latest instructions applicable in the locations you visit**
 - If you notice that you have COVID-19 symptoms, follow the instructions below
 - **Enjoy your holiday and be responsible**

WHAT TO DO IF YOU NOTICE THE FOLLOWING SYMPTOMS: cough, sneezing, sore throat, fever or shortness of breath?

- 1. Both you and the persons with whom you are staying **must not leave the accommodation facility****
- 2. Keep physical distance from others** both inside and outside the accommodation facility
- 3. Fill in the questionnaire available in your accommodation facility**
- 4. Contact by phone or e-mail the owner of your accommodation facility** or the hotel/camp reception and they will in turn contact physicians, epidemiologists and other competent services
- 5. Wait for additional instructions from the physician and follow them**
