Boutique Hotel Alhambra and à
la carte restaurant Alfred Keller
offer true island dishes, as well
as dishes with a modern twist

Tijekom odmora posebno se volimo prepustiti uživanju u jelima lokalne kuhinje ili kušati specijalitete svjetskih kuhinja. Ljubiteljima vrhunske gastronomije i onima istančanog ukusa, na spomen otoka Lošinja i uvale Čikat bude se sjećanja na neka od najboljih gastronomskih doživljaja uopće na jadranskoj obali i otocima. Bilo da preferirate autohtone otočke delicije ili moderno spravljena jela, sve to možete pronaći u Boutique Hotelu Alhambra i à la carte restoranu Alfred Keller i vrlo brzo se uvjeriti zašto ga hvale i najveći gastrokričari. Priča ispričana na tanjurima ovog restorana kreće od malih lokalnih proizvođača koji s posebnom pažnjom uzgajaju ekološke namirnice. Nakon toga chefovi restorana Alfred Keller kreiraju nezaboravna jela za svako nepce. Na meniju ćete naći jela s tartufima, ovčjim i kozjim sirom, creskom janjetinom, istarskim boškarinom te svježom ribom i školjkama iz Jadrana, a točku na 'i' svakog jela stavlja aromatično bilje. Za ovako visoku kuhinju izuzetno je važna disciplina te individualna specijalizacija chefova. Ekspertizu i kvalitetu chefova à la carte restorana Alfred Keller potvrdio je i francuski vodič Gault & Millau, koji je Alfred Keller smjestio na listu najboljih svjetskih restorana. Ukusan obrok prate probrana vina iz Alhambrine vinoteke, koja broji više od 400 vrhunskih vina, ili čašica skupocjenog konjaka Remy Martin Louis XIII.
